

## Invitation to a Live Demonstration of Inline Double Stage Extrusion Coating Laminating

November 25<sup>th</sup> to 26<sup>th</sup>, 2015

**Location: AMUT DOLCI BIELLONI**

Via della Misericordia, 46, 20852 Biassono (MB) – Italy [Map](#)

Dear customer,

Dow and AMUT DOLCI BIELLONI are pleased to invite you for a joint open house where you will see a live demonstration of the *inline double stage extrusion coating laminating* line, which will take place at the AMUT DOLCI BIELLONI factory, in Biassono, Italy.

This line will be in operation from November 25<sup>th</sup> to 26<sup>th</sup> 2015, in the factory showroom. The demonstration will run for two days giving you some flexibility so you can attend according to your availability.

You will have the opportunity to see Dow's new performance AGILITY™ EC Performance LDPE resins for fast and thin coatings in action, ELITE™ for high performance sealability and PRIMACOR™ for excellent adhesion to aluminum foil or metalized polyolefin films.

#### Line characteristics:

- Tandem line
- A single extruder at the first stage
- A co-extrusion section at the second stage with automatic die and automatic thickness distribution
- Corona treaters and flame treaters
- Web reversing bar
- Multislit station

#### The line will be producing:

- PE coated paper for disposable cups
- Paper extrusion lamination with Al foil suitable for wide range of flexible consumer packaging (pharma, cosmetics packs, food applications) and industrial applications

Should you plan to stay the evening on November 25<sup>th</sup>, we would be delighted to invite you for dinner. This relaxed dinner will give you the perfect opportunity to network and engage with a team of experts.

If you are attending the event, **please respond by November 19<sup>th</sup>**.

We look forward to welcoming you in Biassono!

Kindest regards,

The teams at AMUT DOLCI BIELLONI and Dow
