

NOVEMBER: THE OPEN HOUSE MONTH

SAVE THE DATE

We will have on live demo:

- **A NEW DOUBLE STAGE FULLY AUTOMATIC HI TECH EXTRUSION COATING AND LAMINATING LINE**
- **AN HIGH OUTPUT STRETCH FILM LINE 1500 MM WIDE FOR JUMBO AND MACHINE ROLLS WITH THE NEW TURRET WINDER**
- **THE ACP NEW WINDER RUNNING AT OVER 750 METER/MINUTE SPEED ON A 2 METER STRETCH FILM LINE WITH 6 EXTRUDERS**
- **A BRAND NEW MODEL OF AN 8 COLOURS TELIA GEARLESS FLEXOPRESS MACHINE INCLUDING THE FCS PATENTED SYSTEM FOR PRECISE PRINTING PRESSURE ADJUSTMENTS**

**A visit to the Open House will give you a “real picture”
of the new hi tech machines that AMUT DOLCI BIELLONI
is now developing for the flexible packaging market**

Tell us which is the most suitable date for you within the second half of November and we will organize a specific demo.
